

Italy seen on a map look like to a boot and so we like to think about **Italy** like the most beautiful boot in the world.

Italy is for its history, nature and culture is one of the most visited destinations in the world.

Rome, Florence, Venice are three famous cities, Tuscany hills, Garda lake, Dolomiti area and the other cities, like Ferrara, we would like to describe not only the most famous itineraries but all the places that we can, in order to show itineraries and places for who visited Italy for the first time and for who want to discover less known parts of our boot.

Italian seas are famous too and the coasts are reach of cities to visit, a [Yacht Charter In Italy](#) vacation is an alternative to the classic sea vacations in Italy.

If you don't find what you are searching about Italy, please contact us, we appreciate every request and new ideas for a new articles. We'll answer to every question.
